

Diwali at PIPS

Diwali is an important festival for the Hindu community around the world. It is equally important for our school community to learn about this festival, and others such as Christmas and Chinese New Year, as we are an international school. It helps our children to develop an understanding of different cultures and celebrations. We will be having a Diwali display at school from 9th October to 20th October 2017.

Those children who will be celebrating Diwali, are invited to wear their special costumes to school to show their friends on Friday, 13th October 2017, as part of the special festival. They are also welcome to bring in some festive food to share in class. Anyone else is welcome to join in too!
