

#### **Dear Parents**,

We are approaching the last few months of this academic year and it seems that the next few months are going to be very busy for our school. Whilst the admin team will be making arrangements for the next academic year, the teachers and children will be working on their final Unit of Inquiry and graduation for the older children.

The third term for the ECA classes will start in April and as you know, we have started a new program called "Young Performers", in collaboration with Whizkids. The aim of these programs are to provide a wide range of activities that are based on children's interest and are delivered in an age appropriate approach.

At PIPS, we strongly believe in fostering attributes of lifelong learners. It's not only important for the teachers to learn about new trends and innovations in education but also for the parents to develop parental skills such as handling their children's challenging behaviours in a constructive way. We have started to work with different organisations to arrange parents' workshops in the next few months and during the next academic year.

As we are entering the peak season for Hand, Foot and Mouth Disease (HFMD), we would like to remind all the parents to keep a close eye on their children's health and avoid bringing them to school if they feel unwell. Also, parents whose children have been confirmed with an illness are required to inform the school immediately and bring a doctor's note when their child is free from infection.

Last but not the least, I would like to wish you all a very pleasant Easter holiday.

Yours sincerely, Gazel Razavi Principal

## Summer Camp 2019

Summer Camp 2019 is now open for applications. Our summer camp will run over 3 weeks from 15<sup>th</sup> July to 2<sup>nd</sup> August. Please feel free to collect a brochure from the school office.

# Yearbook 2018-2019

We are in the process of preparing our 12<sup>th</sup> edition of the school Yearbook which will include lots of our children's daily school photos, special events photos, class and individual photos. It will be a great momento for your family to recall their wonderful time at PIPS. If you would like to order, sponsor or place an advertisement in the yearbook, please fill in the form and return it to the school office by **18<sup>th</sup> April 2019**.

We would like to thank our UKG and LKG children for using different natural materials and creating different emojis for our Yearbook cover.
